

Beyond The Stratosphere

That is how high I feel
A feeling beyond compare
The wonderful years from
my fans
Who have been so very dear
In following my work for so long
The one liners and all my prose
And it was their love and
dedication
That had kept me on my toes
Fans can make you or
break you
And I believe that with all
my heart
And so I thank my very
dear fans
For never letting my poems
depart
