PWSA is requesting proposals
for Construction Management
and Construction Inspection
(CM/CI) services for work
related to surface restoration
during the 2024 and 2025
construction season. Work
under this contract includes
restoration of streets,
sidewalks, and properties as
required due to damage
caused by work on the
Authority's public sewer
system (storm, sanitary, and
combined sewer facilities) or
public water system (water
mains, valves, service
connections, and hydrants) as
required or directed. For
details and to submit a
proposal, visit:
