

PAULA "BING" MILLER

Paula "Bing" Miller completed her work here on Earth on December 27, 2023, after a courageous battle with rare forms of cancer. She didn't "lose" her battle with cancer, she wouldn't even let her grandkids win a game of cards.

Known by Bing to most (Binny to her grandkids/family), she was born April 3, 1940 to Paul and Luella Benthin. Survived by her high school sweetheart,

Bill Miller, the two were inseparable until the very end. They met in Bellevue in 1954 and shared 64 years of marriage. She is also survived by her sister, Carole Clark; daughter Kelly Kleber (David); and son Mike Miller (Kristin). Her grandchildren, Mike Kleber (Maggie), Megan, and Maddie Miller were her life. Her calling was her role as "Binny" (her "grandma" name). She loved being involved in her grandkids' lives and rarely missed a special occasion. She adored sleepovers, soccer games, and watching "her girls," Megan and Maddie grow up. She also loved long talks with her grandson, Mike, and the years of Thursday nights they shared. She was elated to meet her first great-granddaughter, Emmelyn and beamed when she was there.

Her love will be greatly missed by many nieces, nephews, cousins, and countless dear friends.

Please join in celebrating her life at the Treesdale Community Center, 1 Treesdale Commons, Gibsonia, PA 15044, January 5, 2024 from 4-7 pm, with a blessing at 5:00 pm.

A special thank you to Dr. David Friedland, the team at the Hillman Cancer Center, and the team from 6PAV at UPMC Passavant. Donations in her memory can be made to the Hillman Cancer Center.

Arrangements entrusted to **SCHELLHAAS & SONS FUNERAL HOME (FRANKLIN PARK)**. Please go to www.schellhaasfh.com for a full obituary.
