

# **JACQUELINE PORTER**

11/05/1939 - 01/01/2024

A life that touched so many left us as the new year began. Jackie was an accomplished barrel racer, a nursing aide who rose to the Director of Nursing position at Mayview State Hospital, an animal lover who contributed to many animal organizations, and a loyal, faithful friend. She will be remembered by many and sorely missed by her brother Randy and her best friend Nellie. Arrangements entrusted to the **WARCHOL FUNERAL HOME INC.**
