

ROLENE C. (NÉE POLANSKY) GRANATA

It is with heavy hearts that we announce the passing of Rolene C. Granata, née Polansky, who departed this world on Christmas Day, 2023. She passed peacefully in her sleep, at her home in Scottsdale, Arizona, after a several-year battle with heart disease.

Born on June 12, 1948, in Pittsburgh, PA, Rolene lived a spirited life, leaving behind cherished memories for her family, friends, and

community. She was known for her infectious sense of humor, her positive outlook on life, her passion for dancing and music, and how very deeply she loved and cared for everyone in her circle.

Rolene lived most of her life in Pittsburgh, PA, raising her family in Squirrel Hill. After retiring to Boca Raton, Florida, she founded and grew the Ladies Golf Group at Bocaire Country Club. The group, which started with four members, quickly flourished to over 30 women, who gathered weekly for golf, camaraderie, good food, and laughter. Rolene and her husband, John, had recently relocated to Scottsdale, Arizona, to be closer to their daughters and grandchildren.

Rolene is survived by her husband, John; her children, Nicki and her husband, Robert, Tat and his wife, Nicole, and Randi, and her husband, Brian; and her 11 grandchildren, Reece, Josephine, Torin, Annabella, Blake, Casey, Zander, Rose, Rylan, Lex, and Florence, who will forever cherish the memories of her love, wisdom, dance moves, and jubilant spirit.

A Memorial Service to honor the life of Rolene will be held on January 5th, at 3 pm at **THE GARDENS OF BOCA RATON**, 4103 N. Military Trail, Boca Raton, Florida. Family and friends are invited to join in remembering and celebrating her life.

In lieu of flowers, the family kindly requests that donations be made in her honor to Peggy Adams Animal Rescue League, and/or The Alzheimer's Association.

May the echoes of Rolene's laughter and the warmth of her love linger on, reminding us that a life well-lived leaves an indelible mark on the hearts it touched.
