

The Waynesburg University Nursing programs are preparing for a reaccreditation process with the Commission on Collegiate Nursing Education (CCNE). The CCNE – a nationally recognized accrediting agency for baccalaureate and graduate nursing programs – will be reviewing The Waynesburg University Nursing Programs during this Spring 2024 term. They will be on main campus from March 18-20, 2024. The purpose of the visit is to seek continuing nursing accreditation of the Bachelor of Science in Nursing (BSN), Master of Science in Nursing (MSN), Doctorate in Nursing Practice (DNP), RN-BSN, and Second-Degree programs. In accordance with CCNE's procedures, the Commission provides the opportunity for program constituents and other interested parties to submit, in writing, third-party comments concerning a program's qualifications for accreditation. Third-party comments regarding the Waynesburg University Nursing programs must be received by CCNE electronically via email by February 26, 2024. Third-party comments must relate to the CCNE Standards for Accreditation of Baccalaureate and Graduate Nursing Programs (2013). All third-party comments submitted to CCNE must be written in English, consistent with CCNE's policy on Conduct of Business in English. Please note that CCNE shares third-party comments with the evaluation team prior to the evaluation, but at no time during the review process are these comments shared with the program, the CCNE Accreditation Review Committee, or the CCNE Board of Commissioners. Please submit comments to CCNE at thirdpartycomments@ccneaccreditation.org.
