

RAY "FRED" LABADIE

On January 6, 2024, Ray "Fred" Labadie, age 90, was welcomed home. Fred was survived by his wife of 60 years, Imelda "Mel" Labadie; children, Raymond M., Robert (Karyn), and William Labadie; grandchildren, Matthew (Becky), Jameson, Aidan, and Zachary. He was also blessed with a great-granddaughter, Lyla, in 2022. Fred is preceded in death by his sister, Patricia Klostermeyer; and brother, Paul Labadie. Fred's Catholic

faith was always a central part of his life. He attended John Carroll University and the University of Detroit, where he obtained an electrical engineering degree. He later obtained an MBA from Pitt. He spent 40 years working for the Square D Company. Always a hiker and walker, in recent years, Fred and Mel spent most days during retirement with an early walk in South Park. Retirement also gave them an opportunity to hike in several of the national parks. Fred had a wonderful sense of humor, along with a kind and gentle spirit that blessed all who encountered him. May he rest in the beauty of God's love. In lieu of flowers, please observe God's Beauty in nature as you pray for Fred. All services will be private. Arrangements by **LAUGHLIN CREMATION & FUNERAL TRIBUTES.**
