Richard worked for AT&T for more than 30 years. After he retired, he worked for the Westerville, Ohio school district, where he also coached softball and golf. Richard was known for his uncanny ability to repair anything, complete a crossword puzzle in pen, identify the make, model and year of antique cars from 50 feet away, and cook delicious meals. He could often be seen cruising on one of his Harley-Davidsons or cheering for the Pittsburgh Steelers. He will be greatly missed by all who knew this gregarious man with an amazing memory and a huge caring and loving heart. In lieu of flowers, the family suggests memorial donations be made to Hope Harbor Home in Brunswick County, NC.
