

DONNA LEE (DARLING) ULLOM

Age 65, the original Carrick Girl, passed peacefully on Wednesday, January 17, 2024. Loving wife of Gary S. Ullom; beloved daughter of the late Dale and Alice (Schirmer) Darling; cherished mother of Dalcyce and the late Ian Ullom; dear sister of Shelley Windstein (Steve), Dana Fodorowich (Michael), Nathan Darling (Christine) and Diana Marks; a special sister-in-law to Sherry Leiderman (late Trent); adoring aunt to many

nieces and nephews; a treasured friend to many. Donna avidly enjoyed sunbathing, gardening and listening to loud classic rock music with a cold beer. She has reunited with her son, Ian; and while it broke our hearts to let you go, you were a lady and a lady always knows when it's time to go. Per Donna's request, there will be no public funeral services. Simply hug a loved one in her memory. Arrangements by **BALL FUNERAL CHAPEL, INC.**
