

GEORGE HAGGERTY III

January 11, 1948 - January 9, 2024

George W. Haggerty III, of Shaler, died after a short illness on Tuesday, January 9, 2024, just shy of his 76th birthday. He was born in Pittsburgh, January 11, 1948. He was preceded in death by his parents, Mary Leslie and George Haggerty, Jr. Surviving are his children, Jonathan (Sarah) Haggerty and Georgeanne (Randy) Calhoun; and four grandchildren, Wesley, Whitney, Clara and Kye. He is also survived by his

sister, Janet Haggerty Brown; and many dear friends who were like family to him. In his younger days, George enjoyed shooting pool, riding his Harley Davidson motorcycle, water skiing, and hunting where he bagged many big buck. George retired from Siemens as a skilled union Steamfitter. Often Siemens customers would ask for George by name for his ability to troubleshoot and repair just about any type of machine the first time around and was highly respected in his field. During the summer months, his time was spent at his camp on the Allegheny River caring for his lawn, shooting the breeze with friends and neighbors, boating and sitting around many campfires he'd never remember with friends he'd never forget. When George wasn't at his camp, his time was spent at his friend's body shop in Gibsonia hanging out, repairing and maintaining equipment. George was a fixture there and will be greatly missed by many. A private memorial service will be held at a later date. Donations may be made to the American Cancer Society or a charity of your choice.
