

BRONIA WEINER

Bronia Weiner, 105, died on Sunday, January 28, 2024. Born April 16, 1918, in Storojinetz, currently part of Ukraine, she was the daughter of Chanina and Rosa Toiwes and was one of five siblings. She was predeceased by her husband, Karl.

Bronia and Karl met while acting in the Yiddish theater in Storojinetz and married in 1939. She is one of the last remaining survivors of the Holocaust, having suffered the horrors at the Bershad concentration camp in Transnistria, where she lost her mother and baby daughter Ruti.

After the war, Bronia and Karl reunited and moved to Timisoara, Romania to start their family. In 1960, the family fled communist Romania, leaving all of their possessions behind in search of freedom in the United States, settling in Pittsburgh, PA. Later in life, Bronia achieved one of her dreams of working in the medical field and became a nurse. She worked for 15 years at Pittsburgh's Montefiore Hospital, where she became a beloved member of the hospital community. Bronia loved nothing more than her family, singing, dancing, Mineo's pizza, and a cold beer.

She is survived by her children, Sam (Marilyn) of Delaware, Marcel (Sue) of Texas, and Roslyne Schulman (Mark, deceased) of Maryland; grandchildren, Jared (Carey), Courtney Villere (Justin), Danny (Jay), Benjamin, Gavin and Rebecca Schulman; and great-grandchildren, Vanessa, Simone, Reese, and Griffin.
