p.m. PWSA is requesting
Proposals for Construction
Management and
Construction Inspection
(CM/CI) services for the 2024A
Neighborhood LSLR Project
which includes the verification
of service line materials,
replacement of lead service
lines and restoration of
disturbed areas. PENNVEST
funding requirements will
apply to the project.

CM / CI services for this
project will be for
administration and
construction oversight of
three individual LSLR
construction contracts that
will occur concurrently. Work
for each contract is expected
to include 1,400 to 1,600
individual properties and will
occur in 11 different
neighborhoods. This project is
being federally funded by EPA
financial assistance dollars
and therefore requires
all contractors to demonstrate
compliance with federal
Executive Orders 11625,
12138, and 12432 and
EPA Regulations at 40 CFR
Part 33, through the detailed
documentation of solicitation
of Disadvantage Business
Enterprises (DBEs).
Contractors must
demonstrate the Six Good
Faith Efforts to identify
and solicit DBE firms that are
potential sources for any
procurement action in the
areas of project construction,
equipment, services, and
supplies by including state
qualified small businesses,
and minority and women
owned business enterprises in
the bidding process. Further
