Judith Patterson McClung, age 75, died peacefully at her home on Monday, January 29, 2024. Judy was a gifted artist who personalized her home with creative touches and loved to garden and to travel, especially to the ocean which is reflected in some of her paintings. Judy was devoted to the cats she rescued over the years providing them the happiest, healthiest lives possible. We are so grateful to all of the loving friends and relations who have been so supportive during Judy's last months. Judy is survived by her sister, Polly (Ken) Gayer; niece, Allyson (Michael) Thompson; nephews, Samuel (Taylor) Pegram and William Pegram. There will be no visitation, funeral and interment private.
