PWSA is requesting bids for
the strategic replacement of
catch basins and storm inlets
throughout the system to
replace failed units, increase
stormwater control and
reliability, and minimize
disturbance in the community.
PENNVEST funding
requirements will apply to the
project.

Federally funded projects –
This project is being federally
funded by EPA financial
assistance dollars and
therefore requires all
contractors to demonstrate
compliance with federal
Executive Orders 11625,
12138, and 12432 and EPA
Regulations at 40 CFR Part 33,
through the detailed
documentation of solicitation
of Disadvantage Business
Enterprises (DBEs).

Contractors must
demonstrate the Six Good
Faith Efforts to identify and
solicit DBE firms that are
potential sources for any
procurement action in the
areas of project construction,
equipment, services, and
supplies by including state
qualified small businesses,
and minority and women
owned business enterprises in
the bidding process. Further
