

ANNA MARIE TROVATO

In Loving Memory of ANNA MARIE TROVATO on Her Birthday

Missing you Mom, on Your
First Birthday in Heaven
On this day, as we gather
near,

Our hearts are heavy, for
Mom is no longer here.
This marks the first birthday
without her by our side,
But her love and memory will
forever abide.

Her Smile, her laughter, her
gentle touch,

Are the memories we hold dear, we miss them so much.

We think of her often, each and every day,
and we cherish the happy memories that will never fade
away.

The moments we shared, the love that we knew,
Are the treasures that we hold close, so pure and true.

Her guidance and her warmth will forever remain,
and in our hearts, she'll always be the same.

So Happy Birthday, dear Mom, we hope you can hear,
Our Voices, our love, and our memories are so clear.

Though we can't see you, we know you're still near,
And we celebrate you with every memory we hold dear.

Your love was a gift that we'll always cherish,
and in our hearts, you'll always flourish.

we love you, Mom, and we miss you so,
But in our memories, you'll forever glow

In Loving Memory of
Anna Marie Trovato
on Her Birthday
