To comply with the Bradford Woods Municipal Separate Storm Sewer System (MS4) Permit, an amended Pollutant Reduction Plan (PRP) has been developed for submission to the PA Department of Environmental Protection. The PRP proposes implementation of Best Management Practices to reduce discharge of sediment and nutrients to impaired surface waters. The PRP is available for public review and comment at the municipal building, 4908 Wexford Run Road, Bradford Woods PA beginning March 8, 2024, Monday through Friday from 8 AM to 4 PM. Written comments on the PRP will be accepted through April 8, 2024. Comments will also be accepted at the Borough Council meeting on March 11, 2024 at 7 PM at the municipal building.
