

*You're The  
"Donut"  
In My Life*

You're always so  
**"sweet and inviting"**  
And your words never  
**"stale or old"**  
And how your laughter  
shakes like **"jelly"**  
And just **"sprinkles"** my  
world to gold

And dare I ever leave out  
The rounded **"glazed"** look  
in your eyes  
That has a **"dozen"** ways of  
telling me  
That my **"craving"** is no  
disguise
