

*You're The
"Cruise Ship"
In My Life*

You're the **"ocean"** of love
in my life

And the **"starboard"** side of
my dreams

And how you **"steer"** me
into your heart

With never any **"waves"**
or schemes

Just a **"port"** o' call that
beckons

My passion and
"stern" belief

That as long as you're
my **"mast"**

Our **"voyage"** will never
be brief
