

*You're the
"Speedway"
In My Life*

I will **"drive"** anywhere for you
No **"detour"** can keep me down
And not a **"stop sign"**
"red light" or **"crosswalk"**
Could hold me back from
where I'm bound

For it is you that
"gasses me up"
And gets my
"motor revved up" to go
And I know it will never **"stall"**
Because it is you that I love so
