

RICHARD JOSEPH SCRABIS

Richard Joseph Scrabis passed away on March 3, 2024. Born March 4, 1948, in McKees Rocks, PA to the late John and Sally Scrabis, Richard graduated from Georgetown University and the University of Pittsburgh law school. He volunteered legal aid with Vista and until the end of his life was passionate about helping others, including registering newly naturalized citizens to vote in his adopted home state of Florida. Richard owned and operated The Blue Parrot Inn in Key West for many years before beginning a long and successful career in real estate. A lover of art, animals, and nature, Richard was known for his intellect, his dry, cutting sense of humor, and his appreciation for small beauty around him. Predeceased by his oldest brother John C. Scrabis, Richard is survived by one brother, Larry Scrabis, 10 nieces and nephews, and 15 great-nieces and nephews. He cared deeply for others and is greatly missed.
