

# **MT. LEBANON, PENNSYLVANIA LEGAL NOTICE**

The municipality of Mt. Lebanon will be purchasing a high-speed horizontal grinder that will be used to grind and process wood, leaves, and other organic materials. The grinder will be a tracked unit controlled by a remote device and powered by a 644 HP diesel engine. Purchase of this unit will be partially funded through an Act 101, Section 902 grant. Interested persons may submit comments to the municipality within 30 days of the publication of this notice. Comments can be sent to [902grantcomments@mtlebanon.org](mailto:902grantcomments@mtlebanon.org).
