The Pittsburgh Water and

Sewer Authority (PWSA) is

requesting bids for the

verification and replacement

as necessary, of residential

public-side and / or

private-side lead service lines

at about 1,300 locations

within the PWSA water

service area. Work also

includes site restoration of

disturbed areas. PENNVEST

funding requirements will

apply to the project, including

requirements for Davis Bacon

Wage Rates, compliance with

the American Iron and Steel

Act, compliance with Build

America, Buy America Act

and the prohibition on Certain

Telecommunications and

Video Surveillance Services or

Equipment, as described

further in the Contract

Documents. Federally funded

projects – This project is being

federally funded by EPA

financial assistance dollars

and therefore requires all

contractors to demonstrate

compliance with federal

Executive Orders 11625,

12138, and 12432 and EPA

Regulations at 40 CFR Part 33,

through the detailed

documentation of solicitation

of Disadvantage Business

Enterprises (DBEs).

Contractors must

demonstrate the Six Good

Faith Efforts to identify and

solicit DBE firms that are

potential sources for any

procurement action in the

areas of project construction,

equipment, services, and

supplies by including state

qualified small businesses,

and minority and women

owned business enterprises in

the bidding process. Further
