

JANE A. (McKINLEY) HENSHAW

January 21, 1940 - March 23, 2024

Of Rosedale, PA, passed peacefully at her residence at Waldensview Personal Care Home where she was a resident the past few years living with Dementia.

Jane was married to Richard A. Henshaw for many years and had four children, Diana Henshaw Kiesel (David), Richard R. Henshaw (Sherry), Ronald G. Henshaw (Susan), and Matthew W. Henshaw (Kim). Jane was blessed to have nine

grandchildren and five great-grandchildren and many nieces and nephews.

After being a stay-at-home Mom and raising children, Jane went to CCAC and received her business degree. She worked for many years at Turner Dairy Farm in the office and also did tours at the dairy. Jane was best known for the tour she did with Mister Rogers at the dairy. She went on to become a successful District Manager for Avon, and retired at age 70.

Jane was a member of the Rosedale Women's Club and enjoyed golfing and bingo.

Jane was a kind friend and loving mother. She was the kind of person who went out of her way to help those who were less fortunate and always had a kind word to say about others.

Jane will be cremated and her life will be celebrated by her family. In lieu of flowers, feel free to make a donation to the Alzheimer's Association.

Arrangements entrusted to the **BURKET-TRUBY FUNERAL HOME CREMATION AND ALTERNATIVE SERVICES, INC.**, Oakmont.
