

I'll Never Give Up On You

You can tear my heart to
pieces

You can tell me you even
hate me

You can even in the streets
in public

Scorn and scoff and
berate me

You can tell me I'm not
your type

You can call me a
pathetic fool

You can say that if you'd
choose me

You'd just use me like a tool

You can say if I asked to
court you

You would just laugh right in
my face

You can tell me if I tried to
kiss you

You'd just throw up all over
the place

And you can tell me I'm not
the one

Not your queen or your
snow white dove

But I'll never give up on you

Because you are the
one I love
