

# FREDERICK JOHN PENT

With heavy hearts, we announce the sudden passing of Frederick John Pent. He was a charismatic member of the community and everyone knew him by name. To his kids and grandkids he was Derf, Daddio, Pops, and Pap pap, to everyone else he was Freddie. He was a man whose presence left a profound impact on all who had the privilege of knowing him. As a former Marine, he exemplified courage, honor

and selflessness throughout his life.

For 34 years, he shared his life with his spouse and was a pillar of strength and support to his four children and six grandchildren. His devotion to family was unwavering, shaping the lives of generations with his wisdom, jokes and endless love.

Following his retirement from the Port Authority, he continued to spread joy and camaraderie as a dedicated supervisor for the Pirates at PNC Park and Ark Basement. His commitment to excellence and his compassionate leadership left an undeniable mark on those he worked with.

Beyond his professional achievements, Freddie found joy in the simple pleasures of life, particularly in the spirited competition of cornhole. His competitive nature shined as he sank bag after bag. Unless he was losing, at which point it was "just a game". His infectious laughter and love for all things entertainment illuminated every gathering, making him the heart and soul of any celebration. Whether he was serenading you to the oldies, dancing the polka or cracking (at times inappropriate) jokes he was going to make you laugh.

Though he may no longer grace us with his presence, Freddie's legacy of love, laughter, and unwavering dedication will be engrained in the hearts of all who were fortunate enough to call him a friend, colleague, or family member.

Friends will be received Saturday April 20, 2024, from 2-4 and 6-7:45pm in **THE CHARLES B. JARVIE CHESWICK FUNERAL HOME INC.**, where services will commence at 7:45. The burial will be private.
