November 24, 1937- April 19, 2024

Ingrid, age 86, passed away Friday, April 19, 2024, peacefully at home, exactly 23 years to the date that her daughter passed away. Ingrid's husband and daughter knew she was struggling down here and called her home. She was born in Germany on November 24, 1937, she was the daughter of Dr. Med Axel Laubenheimer and Marie Luise Laubenheimer. She was preceded in death by her

husband, Ronald Naugle; her daughter, Iris Naugle; and brother, Axel Laubenheimer. She is survived by her brothers, Ekkehard Laubenheimer (Ingrid Weinmayer), and Juergen Laubenheimer; as well as many nieces and nephews.

Ingrid's education included high school for girls in Hanau, Germany and she graduated from medical school in 1965 from Johann Wolfgang Goethe University of Frankfurt. She moved to the United States in 1967 and interned at AGH and later became board certified for diagnostic radiology in 1973. She established the Breast Imaging Center at Healthcare for Women in Sewickley in 1989. She then went on to practice radiology at Shadyside for 41 years until her retirement in 2014.

Ingrid was very dedicated to her patients and her work. She held many titles, including but not limited to: Clinical Assistant Professor of Radiology of the School of Medicine at the University of Pittsburgh, Director of Breast imaging at Shadyside Hospital, Mammography Society of Pittsburgh Co-Founder, President of Pittsburgh Roentgen Society, and a Counselor for Pennsylvania Radiological Society.

She had a passion for animals, cats especially, which led her to establish the "Save My Pet Fund" through Animal Friends. Not only did she donate to Animal Friends, but she also donated to multiple animal charities and multiple non-profit organizations. Ingrid loved to travel and enjoyed hiking in Vinegar Hollow.

A memorial service will be held at a later date as family travel plans are finalized.

Flowers are not requested. In lieu of flowers, Ingrid has requested a donation be made to Animal Friends, or any other animal society of your choice.
