

The Great Gays Of The World

Let's start with the
composers

Who ever did live
Tchaikovsky and Schubert
Gave all they could give

The authors & writers
Walt Whitman & Frost
Capote and Dickinson
Showed who was boss

And so many musicians
And many more singers
Freddie Mercury and Elton
And many more wingers

Even some presidents
Hidden reality
Dalved in their share
Of homosexuality

And cannot forget
The painters we knew
DaVinci and Warhol
To name a few

And so in conclusion
I will say it in lateness
Never deprive
The world of such greatness
