

Pursuant to the Land Recycling and Environmental Remediation Standards Act of May 19, 1995, P.L.4, No. 1995-2 (Act 2), notice is hereby given that GE Vernova International LLC (GE Vernova) is submitting to the Pennsylvania Department of Environmental Protection (PADEP), Southwest Regional Office, a Cleanup Plan (CP) for a site located at 4930 Buttermilk Hollow Road, West Mifflin, Pennsylvania. The CP demonstrates that planned and conducted remediation at the site will attain compliance with a combination of Statewide Health and Site-Specific cleanup standards established under Act 2.
