

A Proper Farewell

Cheeri-oh my jolly ole chaps
And begging the pardon if
you please
I'm going to take a
sabbatical
And wanted to thank you for
your great words of ease
Yes your calls in being most
kind
About the poems I was so
glad to do
And I couldn't have been
more appreciative
From all the gratitude that
came from you

Well done from you
respectively
The Queen herself should
have called for a knighting
Yes for you... my lovelies
indeed
Who have ingratiated
yourselves in my writing

Thank You Kindly

**Rachel Ann Bovier
