

Male Pomsky I'm sad and lonely! All my brothers and sisters have found their furever home and here I am, all alone ! ...I NEED someone to love me! I'm 11 weeks old and have the most beautiful blue eyes you've ever seen! I visited my vet and she said I'm fine! I was brave when she gave me my first shots... please call my friend Zeke and come see me ! \$400 412-389-0623
