

JAMES E. FINCH

James E. Finch, age 56, of Harmony, passed away at his home on Sunday, April 28, 2024.

Born June 16, 1967, in Sewickley, he was the son of Jo-Ann Battisti Finch and the late James J. Finch.

James was a dedicated veteran who proudly served in the National Guard for 12 years. With steadfast dedication, he exemplified integrity and loyalty in his service. He was a proud

member of the International Brotherhood of Electrical Workers, Local 712. He approached his work as an electrician with precision and dedication, jokingly saying that "electricians bring light to the darkness." James was selfless, and his priorities always centered around his loved ones. He lived a modest life, content with little for himself, and always placed his family's needs above his own. He found immense joy in being part of a close-knit, loving family, and his proudest moments were spent with his triplet sons, whom he adored beyond measure. He found great joy in maintaining family traditions, and often spent holidays making recipes passed down by his Bubba Finch and Grandma Battisti. His absence leaves a void that cannot be filled, but his legacy of love and selflessness will live on in the hearts of his family and friends.

James leaves behind to cherish his memory his sons, James Finch, John Finch, and Jacob Finch; his mother, Jo-Ann Finch; his brother, Jeff Finch and wife, Marguerite; his aunts and uncles: Janet and Harry Ehman, and Joseph and Paulette Battisti.
