

FRANCINE "FRAN" HYDE

Age 74, of Whitehall, formerly of Dormont, passed away peacefully after a courageous battle with cancer on May 7, 2024. She was the daughter of the late Harry and Catherine Hyde; and sister to Elsa (the late Mark) Cox. She leaves behind many loving cousins and dear friends.

Fran started her career at Consolidation Coal Company (now CONSOL Energy) in the Accounting Department

where she was promoted many times. She was one of the first women in the company to reach the management level, finishing her career as the head of the Audit Division, a testament to both her attention to details as well as the big picture.

She was a fan and a supporter of many arts, including music, photography, dance, and live performance. Tennis was her game, and she enjoyed museums and travel.

A kind individual, she was especially fond of cats and was hoping to see her Darth and Leia coming to meet her on the Rainbow Bridge. Arrangements by **BEINHAUERS**. Add or view tributes at www.beinhauer.com.
