

JAMES FULCHER

Of Kennedy Twp., a native of North Huntingdon, age 56, died unexpectedly on Monday, May 6, 2024.

Jim was the beloved and treasured husband of Kimberly (Kreisel) Fulcher for 25 years.

He was the precious son of Sharyn (Kopylcheck) Fulcher of North Huntingdon and the late James E. Fulcher, Sr.

Jim was the brother of Lorraine (Sonny) Menchio of Irwin; and uncle of Nicole and

Amber Menchio.

He was the stepbrother of Kevin (Julie) Simurda and is survived by their daughters Kendall and Cameron.

Jim was the nephew and godson of Lorraine Donato.

Jim is also survived by his mother-in-law, Margie Brezarich (late Bob) Kreise; his sister-in-law Holly (Gary) Kreisel-Jones; and his niece, Jillian Jones.

Jim was a 1985 graduate of Norwin High school and attended the University of Pittsburgh. He had a long career as a software engineer within the mortgage industry.

Jim was smart and quick-witted and watched Jeopardy religiously. In fact, his family would no longer play Pictionary with him. He was a gifted computer geek, skilled in math and had an aptitude for learning languages.

Jim loved riding his motorcycle, even in cold weather, no destination in mind and not caring where he ended his ride.

He was a staunch Pittsburgh Steeler fan and also rooted for the Penguins. Jim also followed Formula One racing and listened to classic rock music, especially fond of Rush.

The outdoors were a passion for Jim, whether he was on a beach or hunting in the woods and fields.

Largely, Jim will be remembered as a kind person who loved his family fiercely and who was loved just as much in return.
