O'Hara (Christopher).

He was a great-uncle, literally and figuratively, to Jimmy, Chase, Mercer, Kennedy, Maddie, Sylvie, Greta, Zoe, Gabriel, Elena, Leo, Lucy, Mike, Jack, Phoebe, Jack, Mason, Danny, and Alex.

As Vice-President of One Eight Seven, Inc., a company founded by his father in 1973, Michael, along with his two brothers, Crawford and Robert, serviced the North American steel industry by providing innovative basic refractory materials to the integrated, mini mill, and foundry markets.

Michael greatly enjoyed family gatherings that gave him a chance to see how all his nieces and nephews had grown and flourished throughout the years. He loved a good road trip with family and friends and he especially loved a drive in his convertible. He was very good about capturing all these events on film and video to serve as lasting memories. He had a great love of music and it was always a joy to receive one of his specially curated playlists.

While Michael battled illness for many years, he faced the fight with a positive attitude and a strong will to continue on in this world. Onward and Upward, dear Mike! You will be greatly missed by all who had great fortune of knowing you.
