

JOANNE DANKO

September 16, 1955 - June 3, 2023

Its been a year since God called you home, as the days go by I miss you so much, i miss your sweet kisses, i miss your soft touch. You are the love of my life, my angel, my wife, please reach out your hand and guide me to heaven beside you, where i will love you forever, forever plus a day.

- Rich
