## **JOANNE DANKO**

September 16, 1955 - June 3, 2023

It's been a year since God called you home.
As the days go by, I miss you so much.
I miss your sweet kisses, I miss your soft touch.
You are the love of my life,

my Angel, my wife. Please reach out your hand

and guide me to heaven beside you, where I will love you forever, forever plus a day.
