

ACCESS/RIGGING SERVICES

AND MAINTENANCE & PROTECTION OF TRAFFIC FOR THE INSPECTION OF THE CALIFORNIA AVENUE BRIDGE LOCATED IN THE CITY OF PITTSBURGH

The **Azalea Group, inc.** has been contracted by the City of Pittsburgh to perform an inspection of the California Avenue Bridge over McClure and Eckert Streets in the City of Pittsburgh, Pennsylvania. The inspection is anticipated to take place the weeks of July 8, 2024 and July 15, 2024. Azalea will require services of a Contractor to provide rigging and maintenance & protection of traffic (MPT) during inspection. **Azalea** will receive separate sealed bids from qualified Contractors for the rigging and MPT services until 12:00 PM, Tuesday, June 11, 2024 in **Azalea's Greensburg Office** located at 207 Meadow Spring Road Greensburg, PA 15601. Complete bid packages may be obtained from Eric Robl of Azalea at Eric@azaleagrouppllc.com or by calling 724-244-7682 between the hours of 8:30 AM and 4:30 PM. Paper copies will also be available upon request. The Contractor must have at least 10 years of experience in providing rigging services on bridge projects of similar size and complexity. The Contractor must make available, at a minimum, the equipment listed in the Form of Proposal. Bids will be opened June 11, 2024, at 1:30 p.m. **Azalea** will award the contract to the lowest responsive bidder following approval by the City of Pittsburgh and/or PennDOT. Azalea, the City of Pittsburgh, and PennDOT reserve the right to reject any or all bids deemed not in conformance with the bid requirements.
