

ELEANOR G. STEIGER

Age 88, of Bethel Park, passed away peacefully at home on May 17, 2024. She is survived by her daughter, Carla.

After graduating AGH Nursing School and marrying Richard, Ellie began her nursing career at South Side Hospital. She obtained her BSN from LaRoche University and joined the VA Hospital until she retired.

Ellie was a long-time parishioner of St. Valentine Church. She enjoyed being in her kitchen and never met a recipe she didn't want to try. At Christmas she was known for her generous plates of homemade cookies and nut roll. Her spiritual journey passes the Rainbow Bridge where her beloved doggy, Mitzie Gaynor, awaits her.

Ellie will miss the FV Firehall Girls, a special group of nurses who allowed her to live life to the fullest. To the committee of Sharon, Rita, Anna-Marie, Paula, Tammy, Ashley, Erin, Teresa, Natalie, and Trish, you were truly special and thank you. A nod to Chairman Wild Bill for showing everyone around. Gallagher Hospice, your team was a "village" of comfort and support.

All services are private and arrangements have been entrusted to **PITTSBURGH CREMATION & FUNERAL CARE**, 3287 Washington Road, McMurray, PA 15317.
