Robert Bruce Allan, 76, passed away peacefully May 30th, at home in Sebastian FL. His wife, daughter and his doggies, Kobe and Mandy, with him. Bob was known by many names, Dad, Frog, Fudd, Poppy, Beezie and Ganesh Jaya. A typical Gemini, smart, quick-witted, funny and charming, he enjoyed a wide range of music throughout his entire life, always singing along no matter what. Bob was preceded in death by his mother, Frances May Rust; and father, Arthur Jerome Allan; as well as his sister, Nancy Cunningham (Mike). Bob is survived by his wife, Becky Lutz Allan; his daughter, Evelyn Revitsky (Joshua); his two grandsons, Elliott Kress (8) and Wesley Revitsky (3); his sister, Karen Smith (Mike); and nieces and nephews. Graduated from Langley HS in '65 and California University of Pennsylvania in '70 with a BA in Psychology. He then joined Insulators Union Local No. 2 and later became a third generation business agent, then business manager, always advocating for the working people. He lived on a farm, raising chickens for eggs, cows, goats and rabbits and had his daughter there. Retiring in 2007, moved to Sebastian in 2009 he enjoyed fishing, boating, gardening and the flora and fauna of Florida. Bob's path of interfaith spirituality has led him down the road paved by Bill W. For the past 15 years, he's been a member of Feed Everyone, helping those in need in Indian River County, FL. Bob will be missed, but never forgotten. He is in our hearts and has made our lives full and meaningful.
