He also worked at the former Tom Henry Chevrolet, Bakerstown, where he fulfilled his love of corvette's, owning and restoring many, even ordering, helping designing and owning his 1993 40-year Anniversary Edition Corvette. He kept and loved the certificate he received, when he drove to the plant and actually got to start his car the first time it was ever started. Throughout those years they lived in Glenshaw, Richland for 34 years, West Deer for 17 years, though the last few years they spent half the year in Sun City, FL, until they moved to Sun City permanently in 2017. While in Richland and West Deer, he was a member of Our Lady of the Lakes Parish, West Deer, the church Men's Club and at the age of 74, while living in FL, went to Hillsboro Community College, FL to earn his EMT Certification. Once he earned his certification, he volunteered with the Sun City Ambulance, responding to the area emergencies. Don loved restoring corvettes, loved music, singing in a Barbershop Chorus, working with stained glass, melted glass art, even tried to teach himself to play the guitar.
