OF
ALLEGHENY COUNTY,
PENNSYLVANIA**

Shaler Township is applying for a PENNVEST loan for the sanitary sewer manhole to manhole lining, removal of existing lampholes, installation of new manholes, rehabilitation of existing manholes, and point repairs throughout the Township. The proposed project will have minimal impact on Township sewer fees. Shaler Township is soliciting comments for this project to be considered for a categorical exclusion (CE) of uniform environmental review (UER). The PENNVEST loan requires Shaler to conduct an environmental review that generally conforms to the requirements in the National Environmental Policy Act (NEPA). The supporting documents for the environmental review categorical exclusion request are available for review at the Municipal Building – 300 Wetzel Road, Glenshaw, PA 15116 – Monday through Friday 8:00 AM to 4:30 PM. Comments on the draft plan must be filed in writing to the attention of Christopher Lovato, Township Manager, no later than 30 days after the publication of this formal notice. Comments should be clearly marked PENNVEST Categorical Exclusion Comments and either mailed or hand delivered to Township Building, at the address listed above.
