

American Eagle Outfitters' Warrendale, PA, office seeks a Senior Engineer – Point of Sale (POS) Systems. Duties include designing and developing back-end cloud ready microservices and REST APIs; and producing technical documentation, versioned software code, and unit test scripts based on assigned development tasks. This is a hybrid office-based/work-from-home position within the United States. The employee can work remotely from within the United States but must be able to work in the Warrendale office three (3) days per week. Apply at <https://aeo.jobs> with cover letter, resumé and salary requirements.
