

Chris and Annie get ENGAGED!

Mr. Rick Peckyno of Monessen, PA, and the late Mrs. Hilde-Ann Peckyno of Paramaribo, Suriname, are delighted to announce the engagement of their son, Christopher (Chris) Peckyno, to Annie Liu, daughter of Mr. Bin Liu and Dr. Jing Wang of Wexford, PA.

Chris and Annie have known each other for a little over six years, having met in 2018 while both were students at Penn State University. The couple first met while preparing for interviews for the Nittany Lion Fund (NLF), a \$13 million student-run, equity-only hedge fund at Penn State. Both Chris and Annie were accepted into the NLF and through their shared time studying and working in the NLF, they became very close friends and eventually fell in love.

Both began their careers in finance as front-office bank interns in 2019. Chris now works as an associate for Squarepoint, a quant fund in Midtown Manhattan, while Annie is an associate at Bank of America, on the Specialist Sales team.

Chris and Annie share a passion for Pittsburgh, its community, and its sports franchises (they are huge Steelers, Penguins, and Pirates fans). Every summer growing up, Chris would pass through State College with his family and watch the Steelers training camp at St. Vincent College. Annie grew up in Pittsburgh and graduated from Shady Side Academy. Chris and Annie still have extensive family that lives in Pittsburgh and its surrounding boroughs.

The happy couple is looking to plan their wedding in the Fall of 2026.
