

AL MURPHY

9/25/1939 - 7/13/2023

It's been one year since Al Murphy, husband, father, grandfather, great-grandfather and friend to many passed away. Not a day goes by that we don't think of him. He was a kind, gentle, and loving man who touched the lives of so many people. We all miss him dearly in our own special way, but we can take comfort in knowing that his memory lives on through the love and kindness he showed to so many. We are grateful for the

time we spent together, and all of the lives he touched are better because of him. We will always cherish the lasting memories we made. Rest in peace.

You are forever in our hearts,

Your Loving Family
