

AMY SEMPLICE

"Your wings were ready but our hearts were not."

Amy Semplice, age 42, passed away and gained her wings on July 14, 2024.

She fought strong and bravely for nine long months from brain cancer and 42 years with Neurofibromatosis 1 (NF1).

Amy is survived by her parents, Nellie Shapiro, Fred Shapiro, and John Semplice; her loving siblings, Hillary (Jason) Deleel, and Anthony

(Sarah) Semplice; her amazingly strong daughter Sarah Annalisa Semplice; her nieces and nephews, Tiffany, Annabelle, Gabriella, Parker, Savannah, River, and Piper. Amy is also survived by many aunts, uncles and cousins who will forever love her.

Amy graduated from Keystone Oaks High School with the class of 2001, then attended the Bradford School of Business. She was a passionate CVS Shift Supervisor for 14 years.

Amy loved her boy bands especially, New Kids on the Block, NSYNC, and the BackStreet Boys.

Amy had great faith in Jesus and was beautiful to the core. She was most certainly her own person with no apologies. Amy's family is so proud of Amy for all of her accomplishments here on Earth. They are even more proud of her gift of whole body donation after death for Neurofibromatosis 1 (NF1) and brain cancer research.

Amy will be gone but never forgotten. We love you Amy.
