

Fay, S&B USA Construction, in partnership with PennDOT, will hold a public meeting on August 14, 5:00 – 6:30 pm at <https://bit.ly/CommercialStreetPublicMeeting> to discuss the project plans for the \$95M Commercial Street Bridge Replacement. The project is located between the Edgewood/Swissvale (Exit 77) interchange in Swissvale Borough and Squirrel Hill Tunnel in the City of Pittsburgh spans over Nine Mile Run, Frick Park, and Commercial Street. Representatives from PennDOT, HDR (the designer) and Fay, S&B USA Construction will present info about the project and its schedule. If you desire to view this presentation in a different language or require special assistance when viewing it, please contact John Myler at jmyler@pa.gov or 412-429-5063.
