

VIRGINIA GAIL ALTER

On July 3, 2024, Ginna went to "The Great Beyond." Originally from Mt. Lebanon, Ginna worked as a Licensed Social Worker and Grief Counselor for over 30 years. She was a great listener. This petite knock-out was a colorful spirit that kept you guessing, but in a way to teach many a lesson! If she was hard to understand, it probably came from not having a mother to love and cherish. Her mother died

when she was 18 months old. She loved cats and people alike! She recently enjoyed working at Kuhns Market in Ingomar, and will be missed by her three cats, good friends, co-workers, customers, and acquaintances. She was Sum-thing! Victorious Virginia! Until we meet again, we love and miss you. **FREDERICK FUNERAL HOME INC.**, 1543 Ligonier St., Latrobe, PA 15650 entrusted with arrangements. To send condolences, please visit
