Noreen was an amazing teacher who touched so many lives. She was the teacher that everyone wanted, and her goal was to make learning fun and she certainly did with elaborate classroom displays and fun activities every year. She had a gift for music and art and a strong love for animals, especially her dogs and horses. Noreen would light up any room she walked into. Anyone you asked would say she always had a smile on her face and was ready to dance to any song anywhere any time. Noreen was loved by everyone she met and will be forever missed by all.
