

## **DBE Business Opportunity**

Fay, S&B USA Construction (Fay) is seeking DBE partners for the Bus Rapid Transit (BRT) Uptown to Oakland Project. This project is currently in the bidding phase. Construction will last approximately 24-30 months and includes new shelters, new sidewalks, ADA curb ramps, protected bike lanes, traffic signals and landscaping. Potential scopes of work include temporary traffic control, drainage and utility replacement, asphalt resurfacing, electrical, noise and vibration controls and traffic signals. Our DBE program strives to ensure transparency, ethics, fairness and consistency. Please reach out to [estimating@jbfayco.com](mailto:estimating@jbfayco.com) to express your interest in providing goods or services for this project. All proposals must be received by Tuesday, September 3rd.
