George J. Owens, Jr., age 69, peacefully at home with his family at his side, on Friday, August 16, 2024, of Brentwood, formerly of Castle Shannon. Beloved husband of 51 years to Robin L. (Nedley); loving and devoted father of Dawn M. (Chris) Ziegler, Teri L. and the late George R. Owens; proud Pop to Alayna (Jason) DeFelice, C.J., Joshua and Nathan Ziegler. George was incredibly excited to be a

great-grandfather in November. Brother of Vic (Colleen), Lenore and the late Jeff Owens. Also will be missed by many in-laws, cousins, nieces, nephews, friends and neighbors. George was a long-time employee at Duquesne Light. He spent most of his time at the Beaver Valley Nuclear Power Station as an instrumentation controls technician. George was well known for his love and devotion to friends and family. His commitment to others extended beyond that circle. George passionately and tirelessly served on various boards and committees helping the disability community. As a proud resident of Brentwood, he was a loyal, helpful neighbor and served on the community zoning board for many years. He had a vast knowledge and expertise in many realms. George never stopped learning and trying to figure things out. His true love was sharing that knowledge and teaching. He never missed an opportunity to enrich others. Most recently, he took pride in being an instructor at Steel Center Vocational-Technical School. George had many pastimes. However, he was happiest just spending time with his people. His kids and grandkids "just filled him up"! Friends will be received at the **JOHN F.
